

# MIDaS<sup>3</sup> User Guide

## Getting Started

All prices, stock quantities, user names, characters, warehouse names and incidents used throughout this user guide are fictitious. Any resemblance to actual events or persons, living or dead, is entirely coincidental.

This section covers launching MIDaS<sup>3</sup>.

The topics covered are:

- Launching MIDaS<sup>3</sup>
- Logging in to MIDaS<sup>3</sup>
- Navigating around MIDaS<sup>3</sup>
- The MIDaS<sup>3</sup> Menu
- Logging out from MIDaS<sup>3</sup>

### *Launching MIDaS<sup>3</sup>*

1. Use the link that has been supplied to you to open MIDaS<sup>3</sup> in Internet Explorer or another similar web browser.

## Logging in to MIDaS<sup>3</sup>

The Login interface allows you to log in as an *Administrator* or *User*.

1. Select the **As User** radio button.

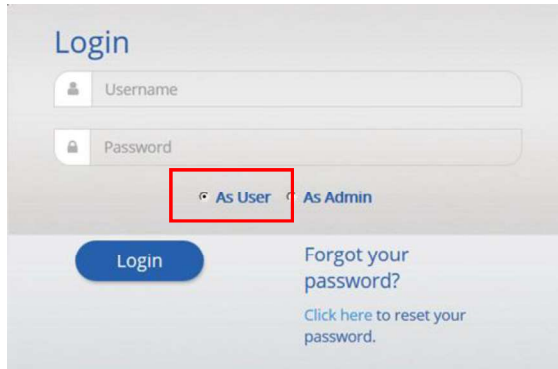

Figure 1

2. Type in your *User Name* and *Password* and click on the **Login** button.

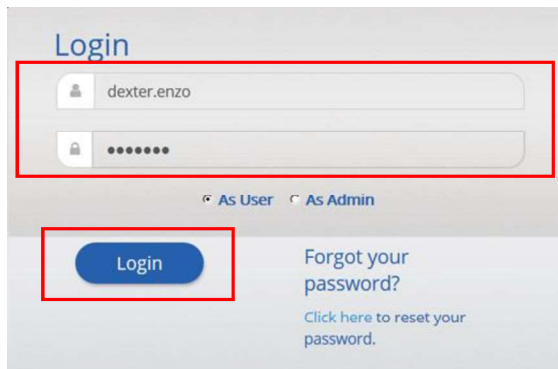

Figure 2

3. MIDaS<sup>3</sup> will launch. This may take a few seconds. An animated "Loading..." message will indicate progress while this takes place.

Figure 3

4. Login status:

- **Failed Login**

Check your username and password. Reattempt to Login.

Figure 4

- **Successful Login**

The MIDaS<sup>3</sup> will open the Home page.

## Navigating around MIDaS<sup>3</sup>

A general view of the MIDaS<sup>3</sup> Home page is illustrated here in figure 5.

The screenshot shows the MIDaS<sup>3</sup> Home page interface. At the top left, it displays 'CAM - Stroud' with contact information: 'Email: helpline@cam-systems.co.uk' and 'Tel: 01453 891000'. The CAM logo is centered. On the right, it shows 'Logged in as: [M]SimonG(Cam Systems)' with icons for home, cart (0 items), help, and share. Below this is the 'Next Van Run' information: 'Thu, 3 Mar 2022, 6:00 pm (Remaining: 2h34m26s)'. A dark blue navigation bar contains links for HOME, ABOUT, NEWS, TERMS, PRODUCTS (with a dropdown arrow), MY ACCOUNT (with a dropdown arrow), and SETTINGS. Below the navigation bar is a search section with tabs for Brand, Stock Code (selected), Size, Stock Profile, Specials, Ancillary, and Vehicle. A search input field contains 'Stock Code' and a 'Go' button. Three callout boxes provide additional information: 'Top Bar' explains user and wholesaler details; 'Search Options' describes finding tyres and special offers; 'Menu Options' describes account and order history pages.

**Top Bar**  
The Top Bar displays your user details and your wholesaler details, next scheduled delivery time and Cart and Help options.  
  
Your wholesaler may also choose to include your Account Manager and their contact details in this top bar.

**Search Options**  
Use the Search Options that are available to you to find tyres to order, view special offers and look up vehicle details.

**Menu Options**  
Use the Menu Options that are available to you to open, for example, your account and order history pages.

Figure 5

## The MIDaS<sup>3</sup> Menu

The MIDaS<sup>3</sup> menu will be unique to each wholesaler. Some may have the About or News options, but in general, a typical menu structure is illustrated here in figure 6.

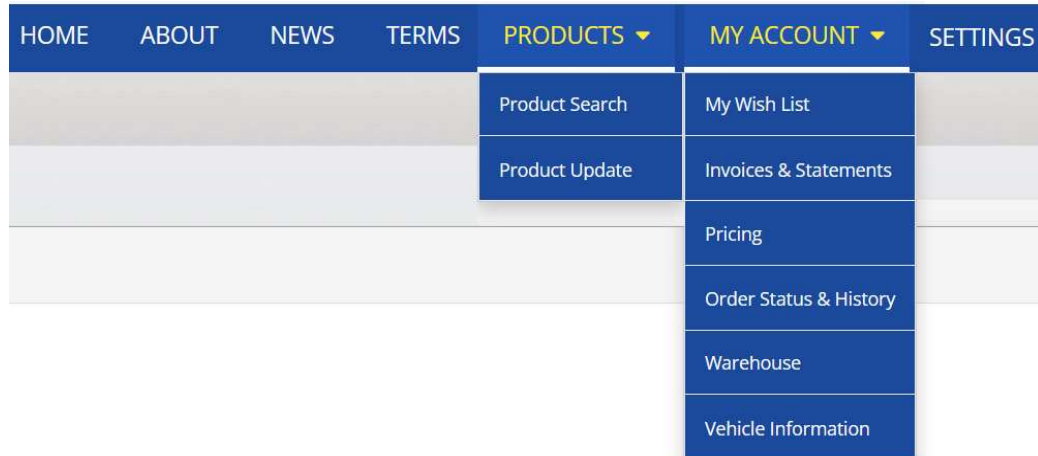

Figure 6

Use the follow options:

- **Home**  
Use the Home button to return you to your Home page where you can check for special offers and promotions provided by your wholesaler.
- **About**  
The About page is where you go to learn more about your wholesaler.
- **News**  
This page may be used by your wholesaler to keep you up-to-date on Industry news.
- **Terms**  
This page may be used by your wholesaler to keep you up-to-date with their Terms and Conditions.

- **Product Search**  
Opens the Product Search options.
- **Product Update**  
This page may be used by your wholesaler to keep you up-to-date on new products and product changes.
- **My Wish List**  
Use this menu option to view the products that you have added to your Wish Lists.
- **Invoices & Statements**  
Use this menu option to view your Invoices and Statements.
- **Pricing**  
Use this option to setup your SellOut pricing.
- **Order Status & History**  
Use this menu option to view your current order status, and past order history.
- **Warehouse**  
Use this menu option to change your default warehouse.
- **Vehicle Information**  
This page opens DVLA Lookup and DriveRight if you subscribe to these services.
- **Settings**  
Open the Settings Page. A separate User Guide is available for this area of MIDaS<sup>3</sup>

## Logging out from MIDaS<sup>3</sup>

1. Use the **Log Out** button to log out from MIDaS<sup>3</sup>.

Figure 7

2. Use the method described previously to log back in.

## Ordering Products

This section introduces you to the Product Search page and takes you through the ordering process to order a 205/65R15 tyre.

**The wholesaler, warehouse address and contact details, wholesale prices, sell out prices and stock quantities used in this user guide are fictitious.**

The topics covered are:

- Order Cut Off and Delivery Schedules
- Product Searching Options
- Adding Products to your Cart
- Viewing your Cart
- Editing your Cart
- Price Updates and Placing your Order
- Reviewing the Order History

## Order Cut Off and Delivery Schedules

Your wholesaler may offer you a scheduled delivery service. If your order is placed before the specified **cut-off time** shown, and the items that you are ordering are in stock at your chosen warehouse, then you should receive your order on the next scheduled delivery shown. When the order cut-off times expires, MIDaS<sup>3</sup> will roll over to the next available delivery time provided by your wholesaler, and the countdown timer will be restarted.

Figure 8

Clicking on the "**Next Van Run**" text will open a Delivery Schedule pop-up window detailing available Van and Trunk Runs.

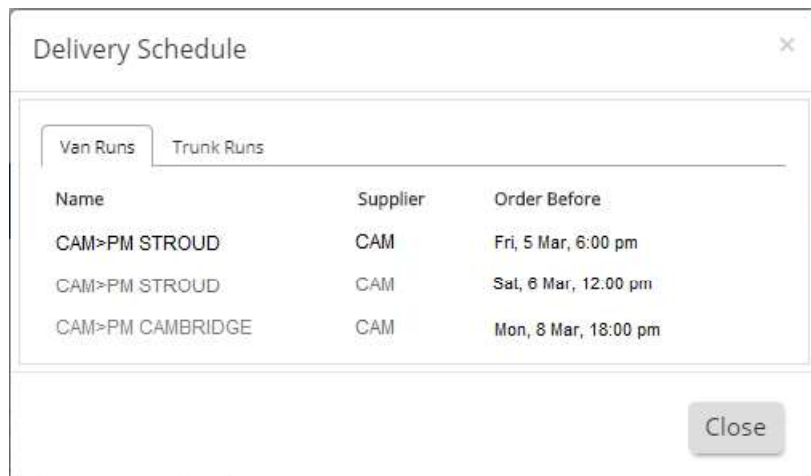

Figure 9

## Product Searching Options

You can search for products by Brand, Stock Code (partial and full CAMEO code), Size and Profile. Your wholesaler may offer other search options such as Special Offers and Promotions, and links to these are provided on the Home page, which you can click on to open them. If you subscribe to DVLA Lookup or DriveRight, you can search by Vehicle Registration Number or Make and Model.

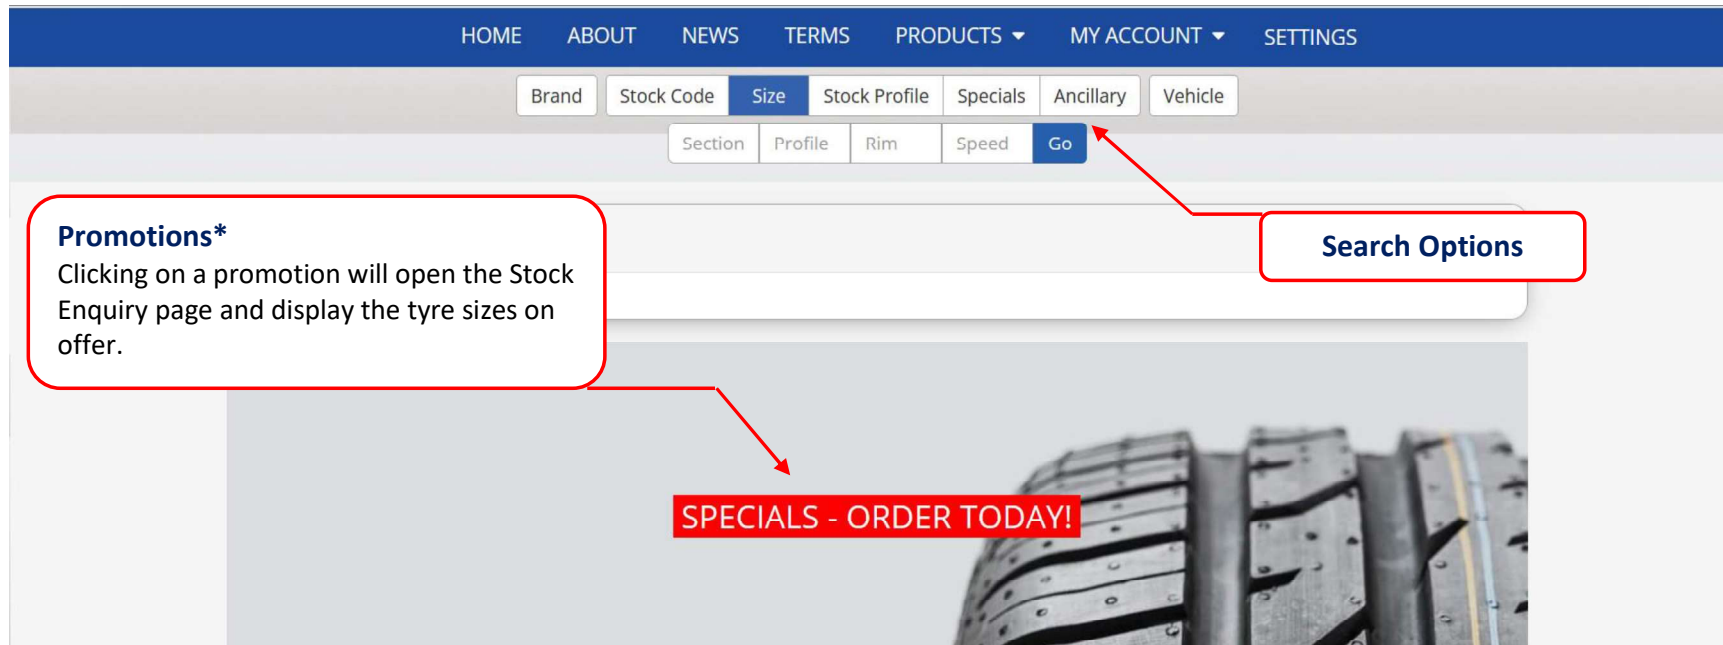

Figure 10

\* Promotions are wholesaler specific and may be excluded from your MIDaS<sup>3</sup> Home Page

1. From the *Home* page, click on the **Stock Code** button.

Figure 11

2. Enter the full or partial stock code in to the **Search** field and click **Go**.

Figure 12

3. MIDaS<sup>3</sup> will start searching for your products.

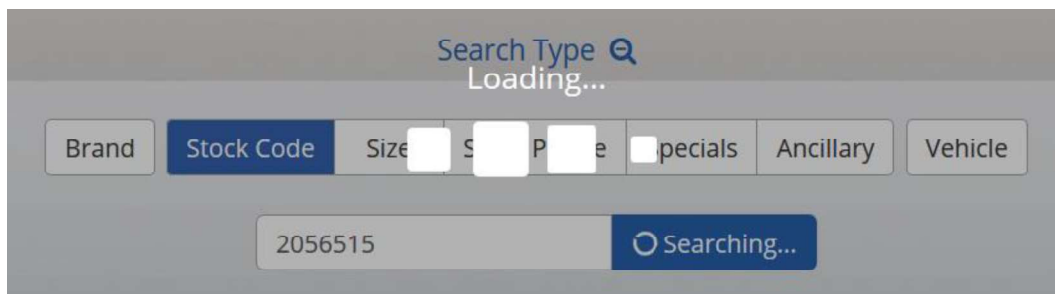

Figure 13

4. The *Product Search* page will open and return a list of products matching your search criteria. A general view of this page is illustrated here in figure 14.

**Product Lines**  
 Tyre attributes, labelling information and pricing details are listed here. The Default Qty is the current stock held by your supplier at their warehouse that will normally fulfil your orders.

The screenshot shows a product search interface. On the left is a 'Filters' sidebar with various attributes like 'Extra Load', 'Groups', 'Load Index', etc. The main area displays a table of products with columns for 'Product', 'Default Qty', 'Cost', and 'Add to Cart'. On the right is a 'Display' sidebar with options like 'RETAIL VIEW', 'STOCK PROFILE', etc. Red callout boxes point to the 'Filters' sidebar, the 'Speed' filter, and the 'Display' sidebar.

Product	Icons	Speed	Grade	Default Qty	Cost	Add to Cart
205/65R15 MICH XCLIMATE+ 99V XL	👤 ⚠️ ⚠️	B	B	69	1	£74.90 <a href="#">Purchase</a> ☆
205/65R15 MI PRIMACY 4 94H	⚙️	C	A	71	1	£76.95 <a href="#">Purchase</a> ☆
205/65R15C MICH AGIL CROSCCLIM 102T	👤 ⚠️	C	A	73	5	£88.90 <a href="#">Purchase</a> ☆

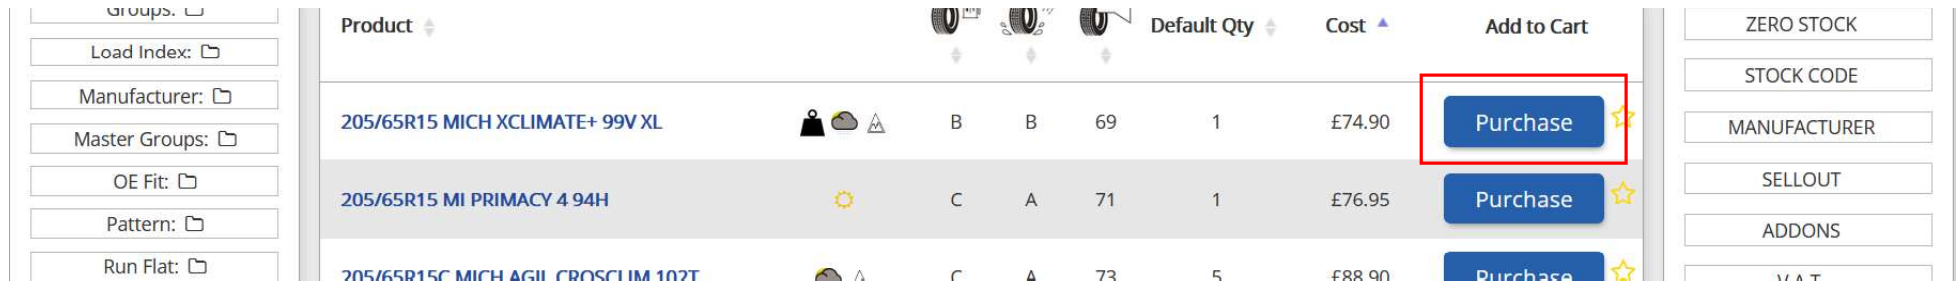

Figure 14

**Filters**  
 Use Filters to show tyres only by their attributes.

**Display**  
 Use Display options to provide retail information.

## Adding Products to your Cart

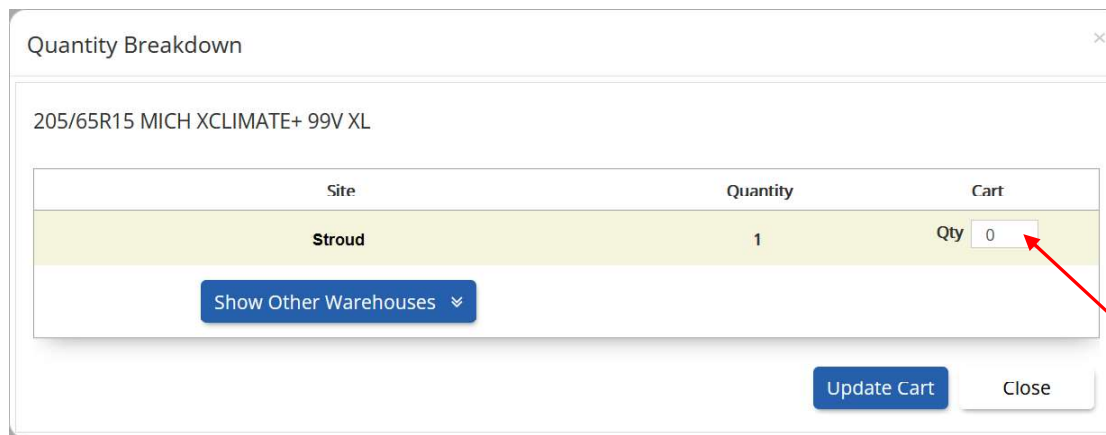

5. Click on the **Purchase** button against the product you wish to buy.

Product	Default Qty	Cost	Add to Cart
205/65R15 MICH XCLIMATE+ 99V XL	69	£74.90	<b>Purchase</b>
205/65R15 MI PRIMACY 4 94H	71	£76.95	<b>Purchase</b>
205/65R15C MICH AGIL CROSCUM 102T	73	£88.90	<b>Purchase</b>

Figure 15

6. Enter a quantity in to the **Qty** field. Your default warehouse will be shown along with the quantity they have in stock. If you need more than the stock shown by your default warehouse, click on the **Show Other Warehouse** button, and you can choose stock from another warehouse if stock is available. However, please note that the Order Cut-Off and Delivery schedules may be different from these warehouses. When you have entered the quantities you require, click on the **Update Cart** button to add the product to your cart and then click on the close button.

Quantity Breakdown

205/65R15 MICH XCLIMATE+ 99V XL

Site	Quantity	Cart

Update Cart Close

Figure 16

**Cart Qty**  
Quantity to be placed in  
your cart.

## Viewing your Cart

- After a few seconds the page will refresh, and the products will be added to your cart. The number next to the cart indicates the total number of products in your cart.

Figure 17

- Click on the **Cart** icon to view your cart. Click on the **X** close your cart view. You can add more products to your cart as required.

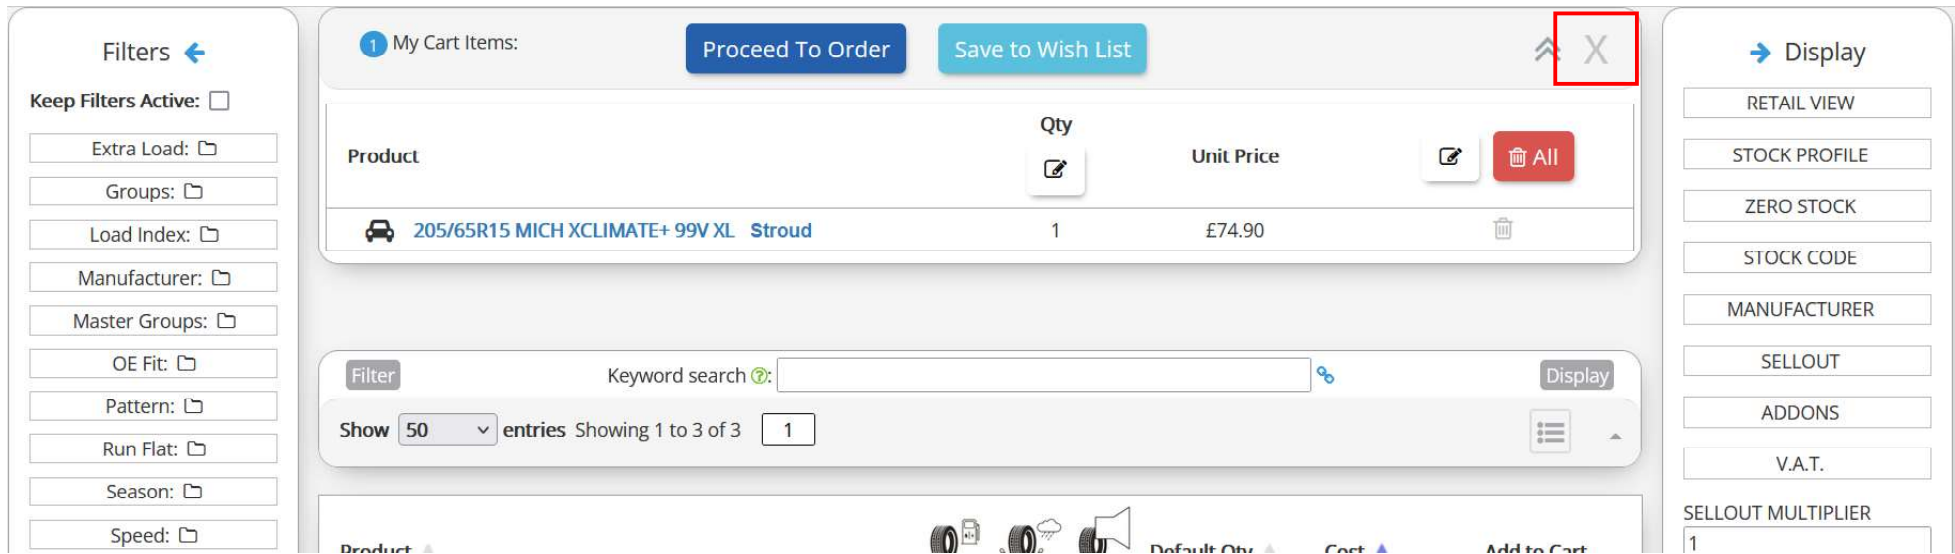

Figure 18

## Editing your Cart

This section shows you how to remove or edit products that are in your cart.

9. To remove products from your Cart, first click on the **Edit** button.

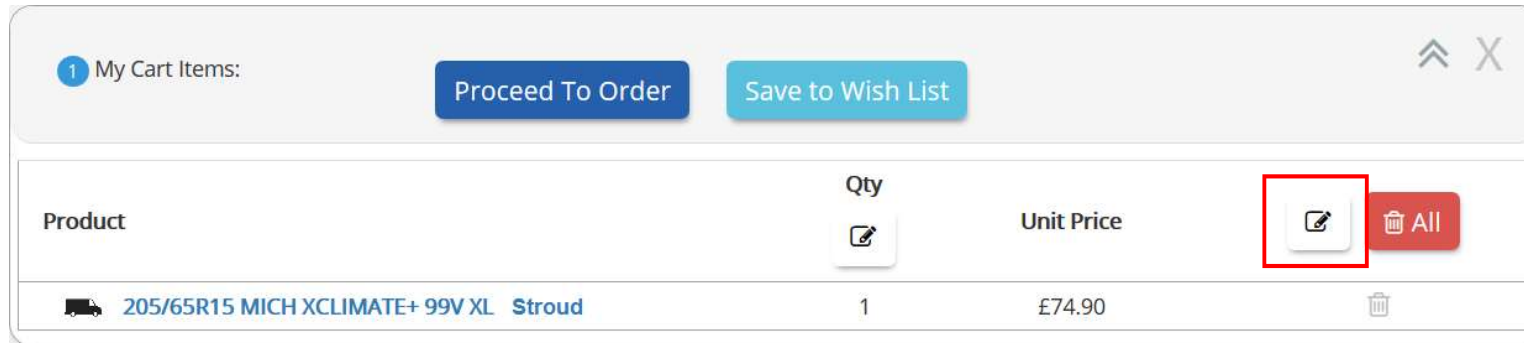

Figure 19

Then either click the **Delete All** button or the **Delete** button (red bin icon) against a product line to remove just that line.

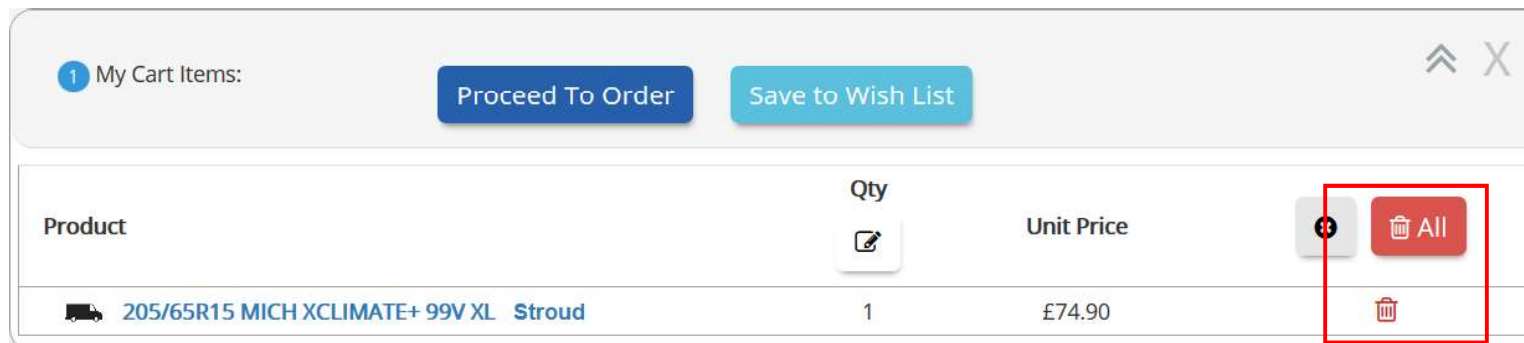

Figure 20

10. To edit the quality for a product line in your cart, first click on the **Qty** button.

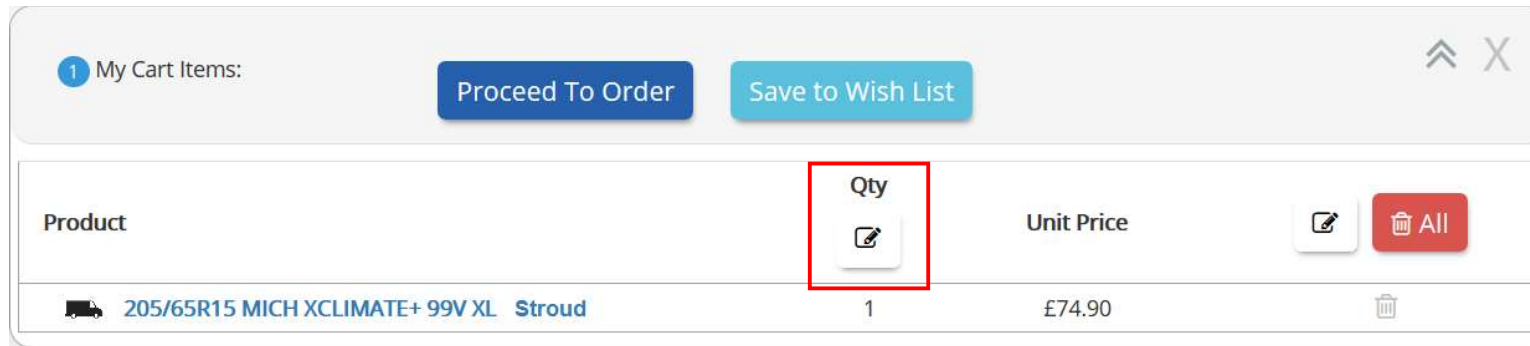

Figure 21

Then you can increase the quantity by typing in the new value.

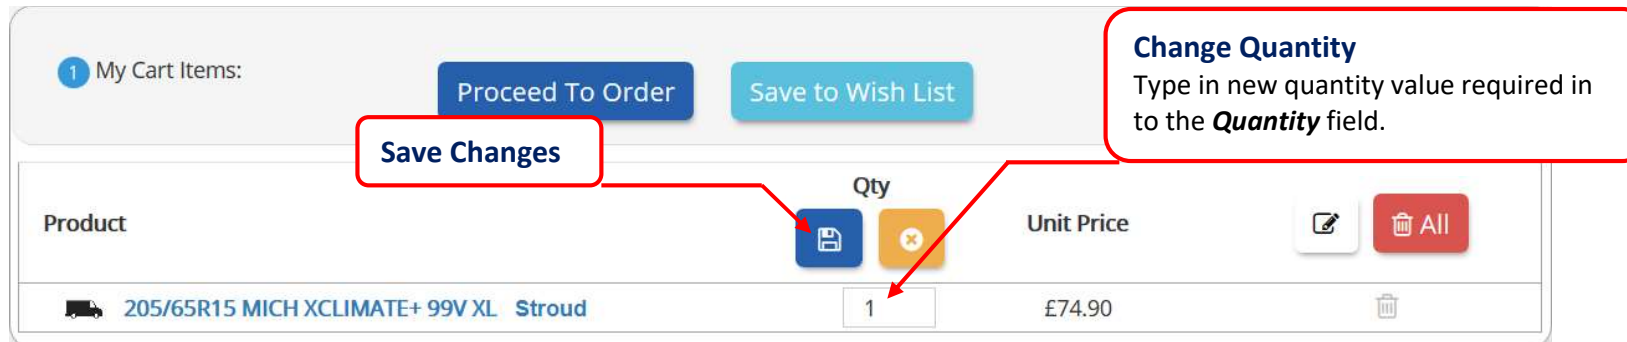

Figure 22

11. Finally, click on the **Save Changes** button, as illustrated above in figure 22, to save any changes you have made.

## Price Updates and Placing your Order

12. Your wholesaler may update the product price while the items are in your Cart and when this happens the old and new (current) prices will be displayed against the product line, as illustrated here in figure 23. You can accept the new price and carry on with your order or delete the product from your Cart.

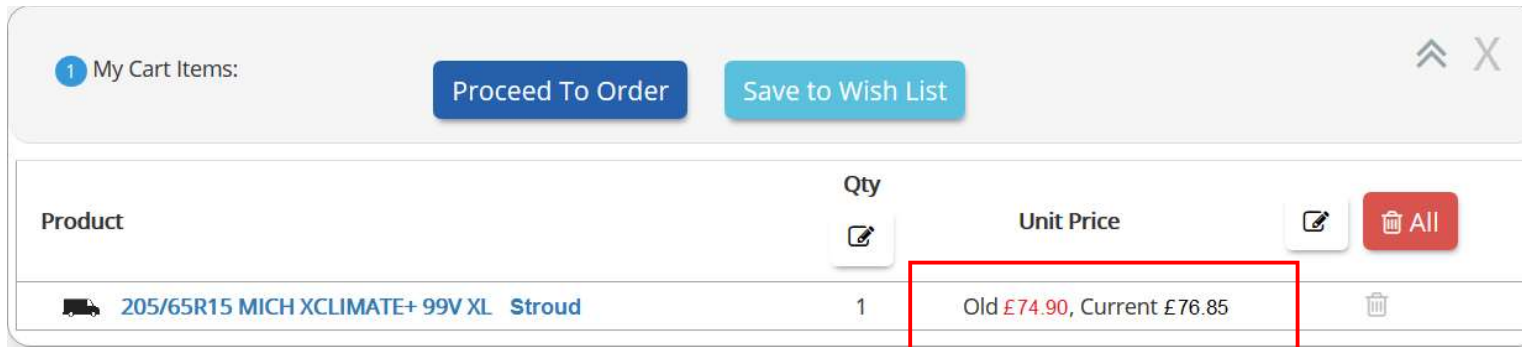

Figure 23

13. Now click on the **Proceed To Order** button to proceed to the checkout.

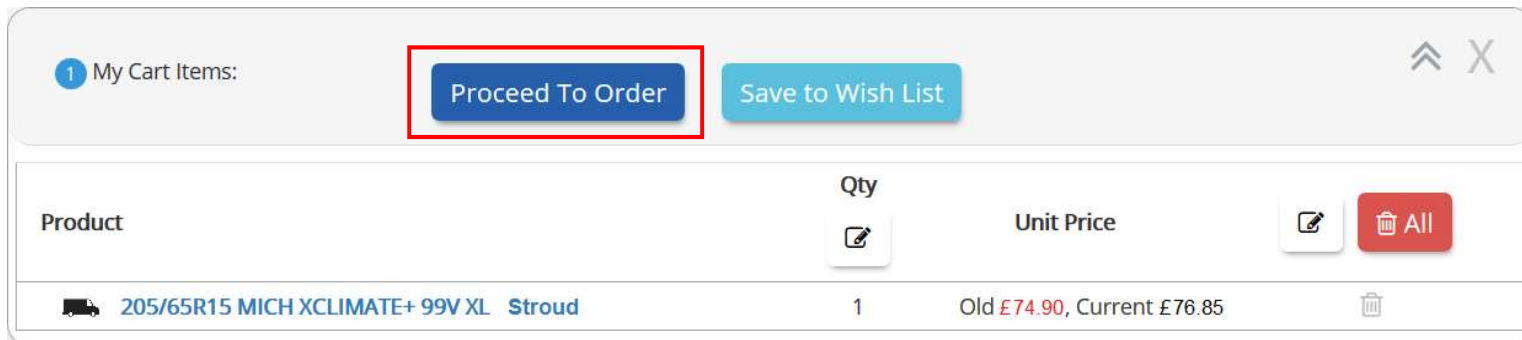

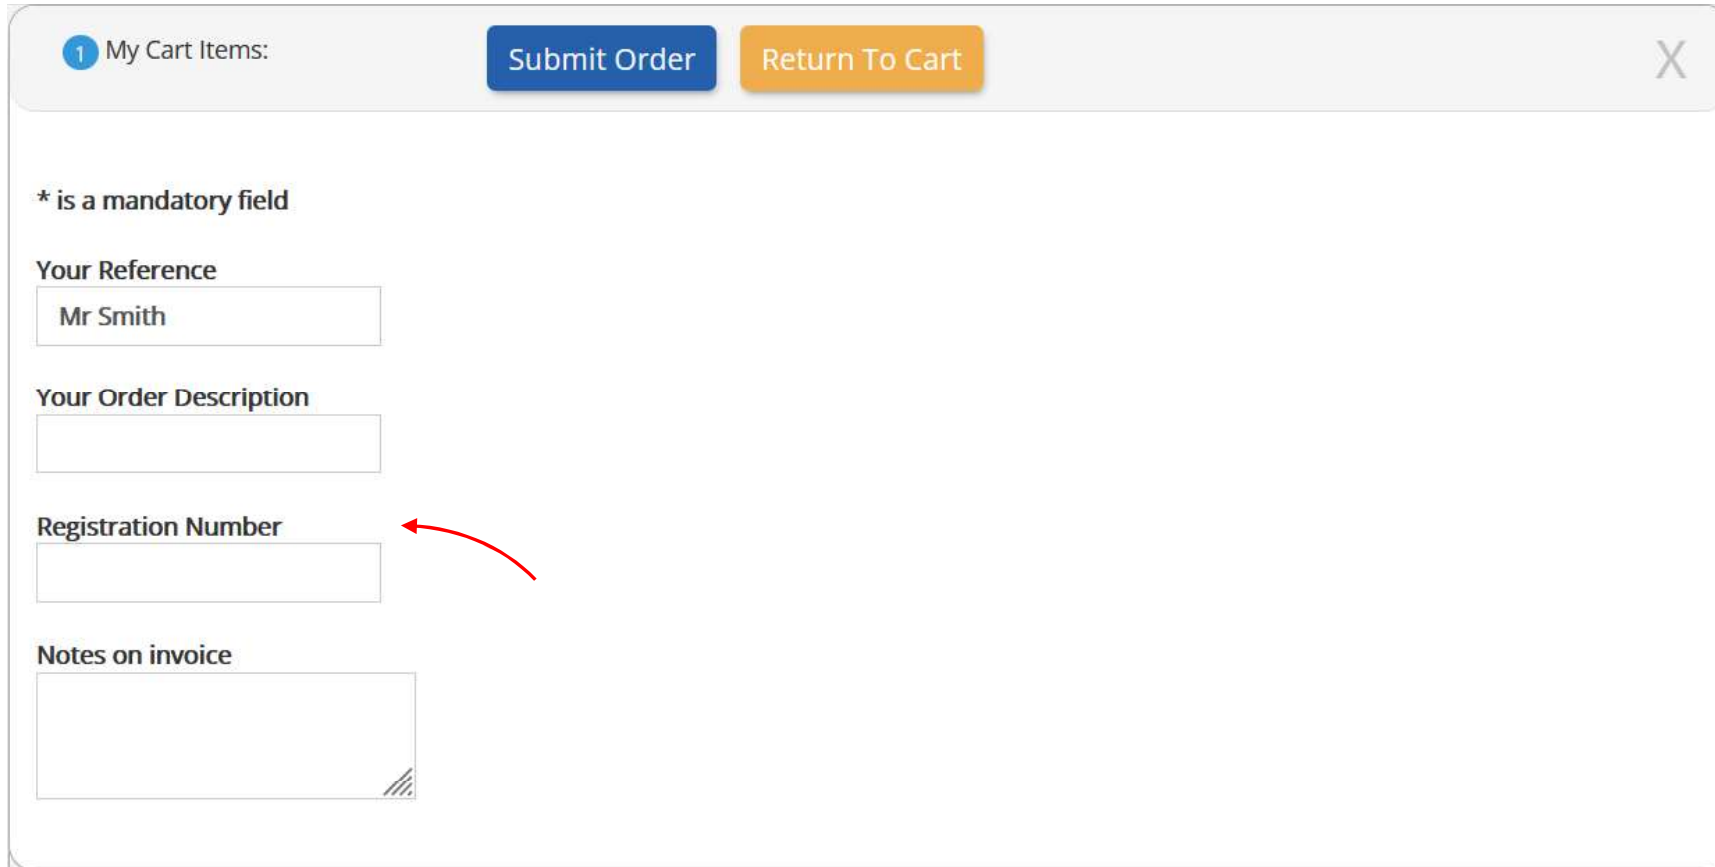

Figure 24

14. If required, enter a reference number for your order in the **Your Reference** field, a description for your order in the **Your Order Description** field, **Registration Number** and any notes in to the **Notes on Invoice** field.

The screenshot shows a form titled "My Cart Items:" with a close button (X) in the top right corner. Below the title are two buttons: "Submit Order" (blue) and "Return To Cart" (orange). The form contains the following fields:

- Your Reference**: A text input field containing "Mr Smith".
- Your Order Description**: An empty text input field.
- Registration Number**: An empty text input field, highlighted with a red arrow.
- Notes on invoice**: A larger text area for notes, currently empty.

A note above the fields states: "\* is a mandatory field".

Figure 25

15. Confirm your order at the checkout by clicking on the **Submit Order** button.

\* is a mandatory field  
Figure 26

If your wholesaler utilises the Elavon Payment System, please follow the instructions from page 67 to complete your order.

## Reviewing the Order History

This section shows you how to look at your order history by using the Order Status and History page.

16. Start by clicking on the **Order Status and History** option from the *My Account* menu.
17. The Order Status and History page will display the orders that you have sent to your wholesaler. Use the date range to define the order period or search for an order by typing in the reference number and selecting the document number from the list. Clicking on the blue document number will open the document in a separate window.

**ORDER STATUS AND HISTORY**  
Review and track your orders

Show  entries Showing 1 to 4 of 4

## Alternative Search Methods

This section covers some alternative search methods that you can use to find products.

The topics covered are:

- Searching by Brand
- Searching by Specials
- Saving Products to Wish Lists
- Retrieving Saved Wish Lists

Vehicle Menu Option:

- Using DVLA Lookup
- Using DriveRight

## Searching by Brand

This section shows you how to find products for a Brand.

*MIDaS<sup>3</sup> uses the same stock codes, bands and descriptions that are used in CAMEO.*

1. Start by clicking on the **Brand** button.

The screenshot shows a search interface titled "Search Type" with a magnifying glass icon. Below the title is a row of seven buttons: "Brand", "Stock Code", "Size", "Stock Profile", "Specials", "Ancillary", and "Vehicle". The "Brand" button is highlighted with a red rectangular box. Below this row is a search input field containing the text "Stock Code" and a blue "Go" button.

Figure 29

- Then, type in the full or partial brand name. MIDaS<sup>3</sup> will return a list of brands matching your text entered. Click on the brand name from the **Brand** drop-down list that matches your criteria.

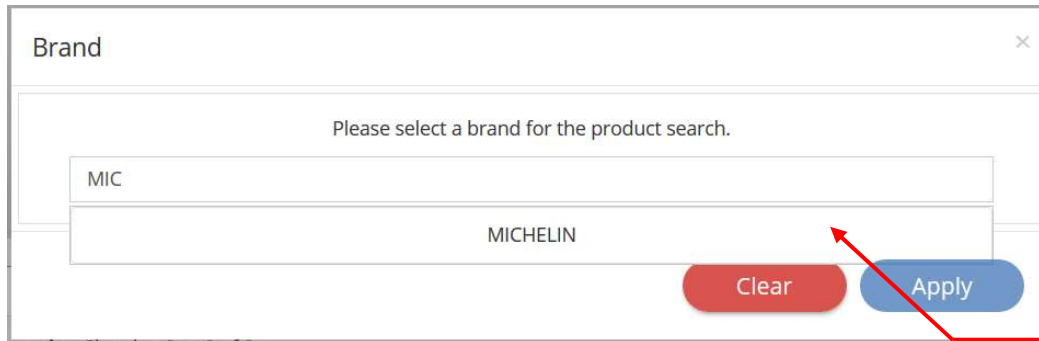

Figure 30

**Brand Drop-down**  
Click on the brand to select it.

- With the brand selected, click the **Apply** button.

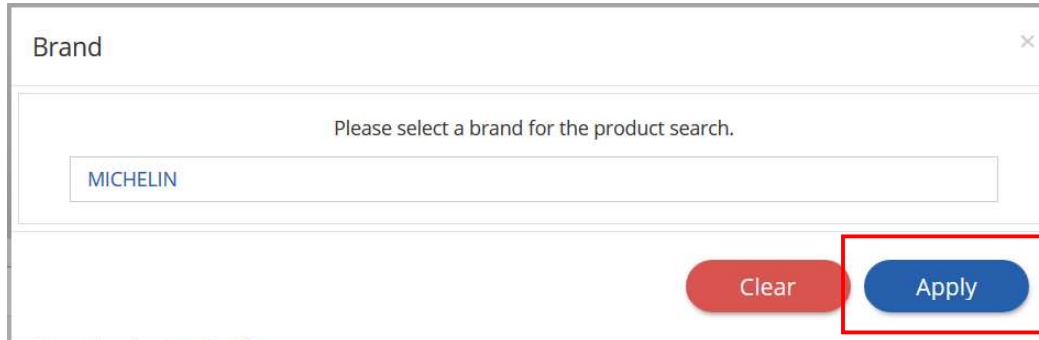

Figure 31

4. Next, using one of the search options available, type in the appropriate product parameters in to the **Search** field and click on the **Go** button.

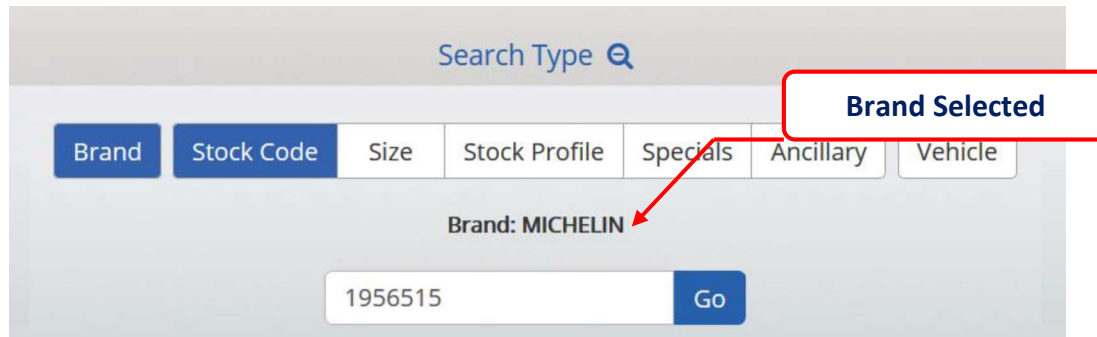

Figure 32

5. If you have entered the parameters correctly then your product search page should return a list of those products. You can then filter, search and add the products to your cart.

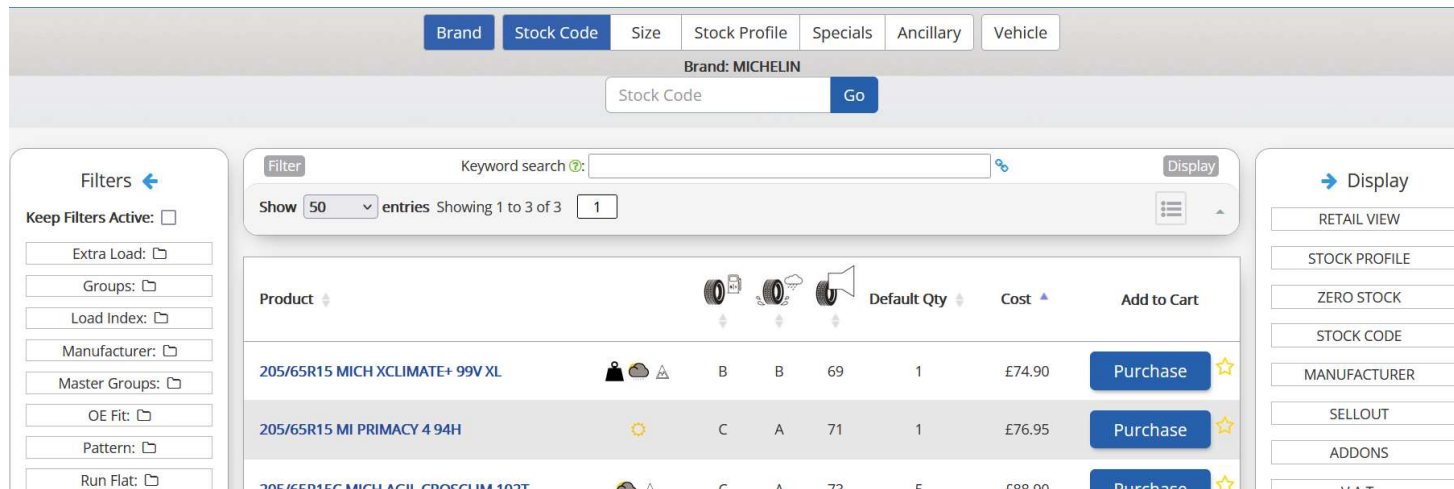

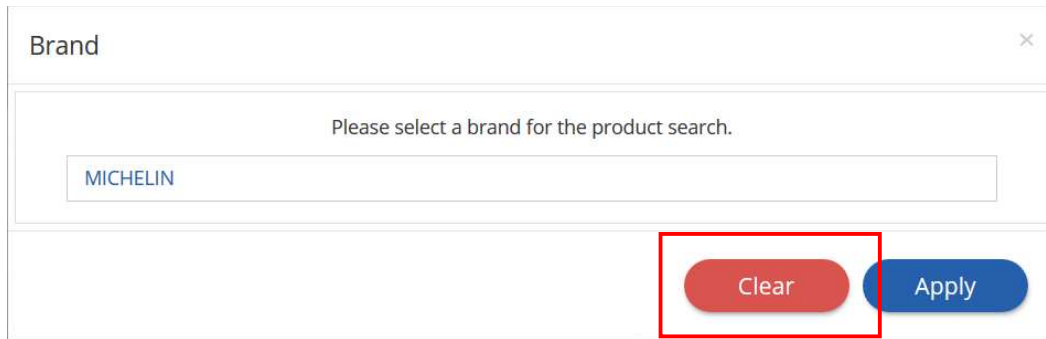

Figure 33

6. To clear the Brand allowing you search by All Brands again, click on the **Brand** button from the Menu, and then click the **Clear** button.

The image shows a dialog box titled "Brand" with a close button (X) in the top right corner. Inside the dialog, there is a text prompt: "Please select a brand for the product search." Below this prompt is a search input field containing the text "MICHELIN". At the bottom of the dialog, there are two buttons: a red "Clear" button and a blue "Apply" button. A red rectangular box highlights the "Clear" button.

Figure 34

## Searching by Specials or Trade Price Lists

1. You can click on the *Home Page* links provided by your wholesaler to open offers. These will open the Product Search page with the appropriate promotion, offer or trade list. An alternative way to search for these is using the Specials button from the menu. This section shows you how to find products that are on offer using this menu option.

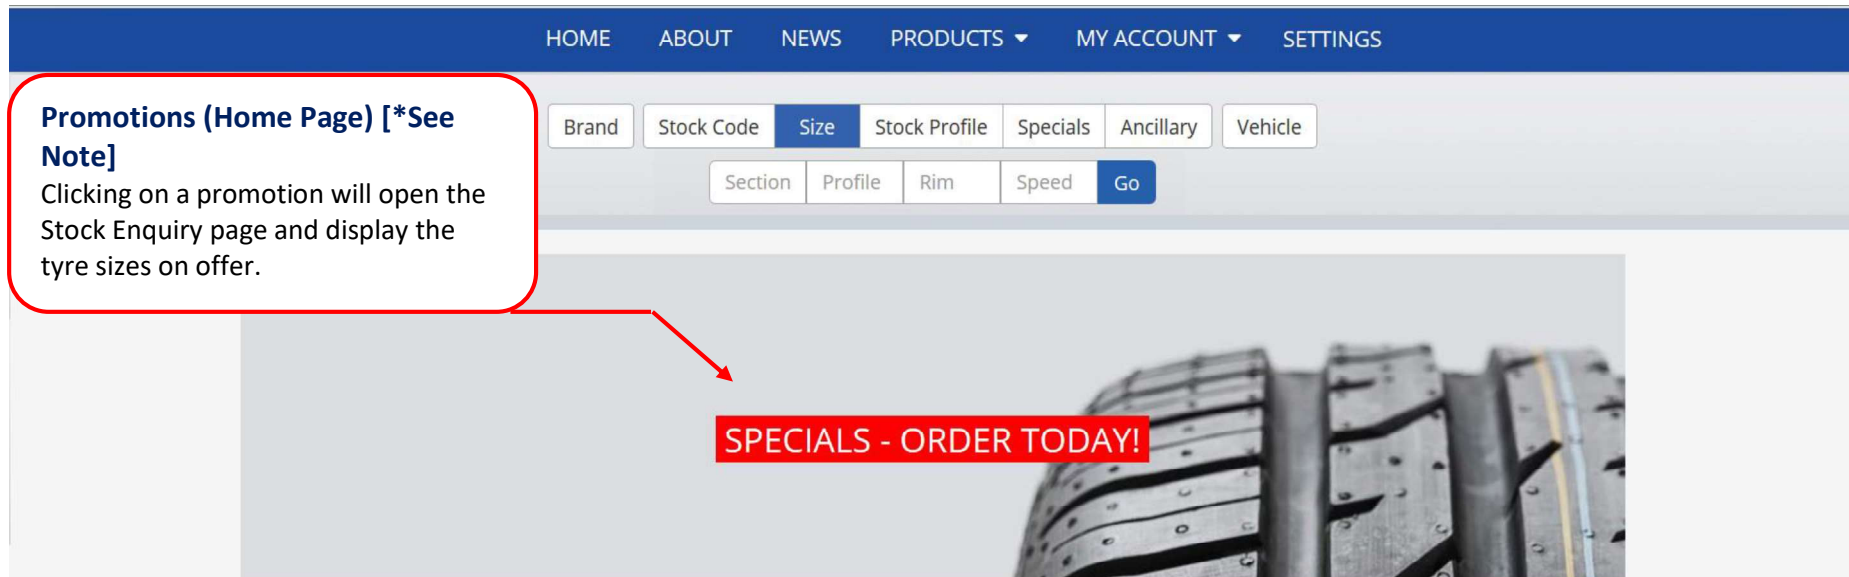

Figure 35

\* Promotions are wholesaler specific and may be excluded from your MIDaS<sup>3</sup> Home Page

2. Click on the **Specials** button.

Figure 36

3. Select the Trade List, Promotion or Offer from the **Trade List** drop-down menu and then click the **Go** button.

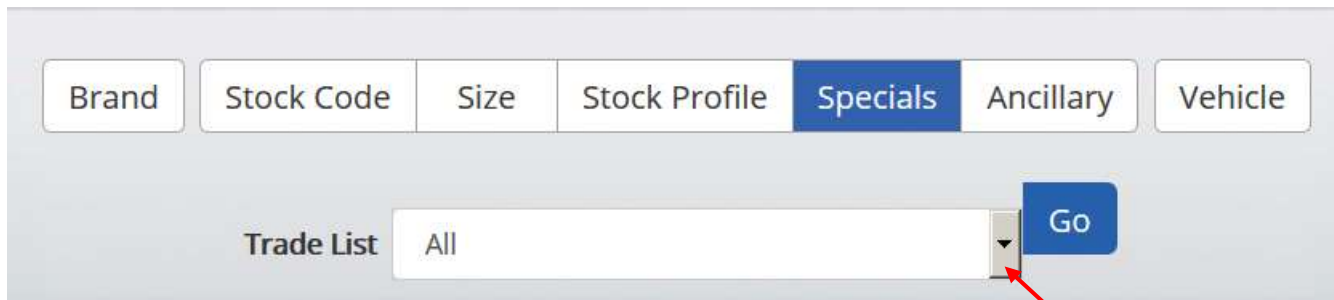

Figure 37

**List Drop-down**

Click on the **Arrow** to expand the offers available.

4. The Product Search page will open. You can then filter, search and add the products to your cart to finish.

The screenshot displays a product search interface. On the left is a 'Filters' sidebar with various filter categories. The main area shows a search bar and a table of products. The table has columns for Product, icons, Default Qty, Cost, and Add to Cart. Three products are listed, with the third one, '205/65R15C MICH AGIL CROSCCLIM 102T', highlighted in grey and featuring a fire icon. A red callout box points to this icon.

Product	Icons	Default Qty	Cost	Add to Cart	
205/65R15 MICH XCLIMATE+ 99V XL	🔥 👤 ☁️ ⚠️	B B 69	1	£74.90	Purchase
205/65R15 MI PRIMACY 4 94H	🔥 ⚙️	C A 71	1	£76.95	Purchase
205/65R15C MICH AGIL CROSCCLIM 102T	🔥 ☁️ ⚠️	C A 73	5	£88.90	Purchase

Figure 38

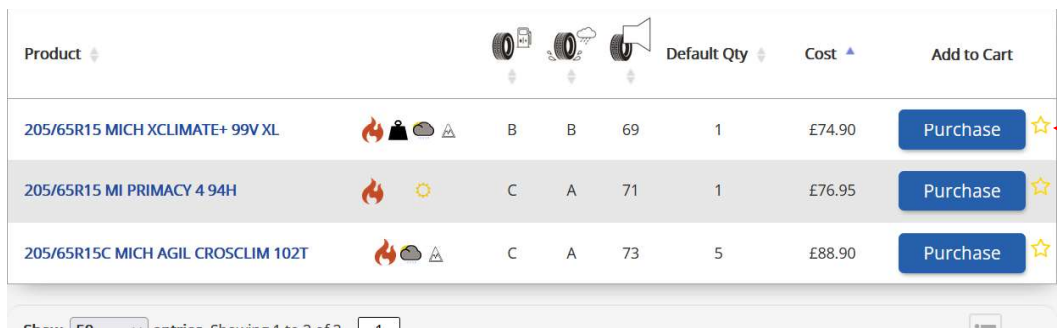

### Hot Specials

This symbol indicates that the product is on special offer.

## Saving Products to Wish Lists

You can save products that you order most often to wish lists. This section will show you how to create a wish list and retrieve saved wish lists.

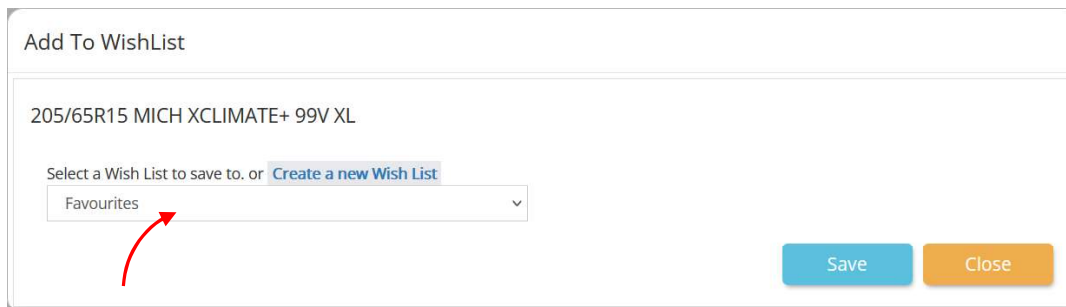

1. Start by searching for a product using one of the search methods described previously.
2. Click the **Star** symbol against a stock item to save it to a wish list.

Product					Default Qty	Cost	Add to Cart			
205/65R15 MICH XCLIMATE+ 99V XL				B	B	69	1	£74.90	Purchase	
205/65R15 MI PRIMACY 4 94H				C	A	71	1	£76.95	Purchase	
205/65R15C MICH AGIL CROSLIM 102T				C	A	73	5	£88.90	Purchase	

Figure 39

3. Select the Wish List from the drop-down menu or click the **Create a New Wish List** button to create a new one.. It will then be available to you from the drop-down list.

Figure 41

## Retrieving Saved Wish Lists

1. Start by clicking on the **My Wish List** button from the My Account menu to open the My Wish List page.
2. Use the **Wish List** menu to open your saved wish list.
3. Use the **Add To Cart** button to add the products from your wish list to your cart for re-ordering.

The screenshot shows the 'My Wish List' interface. At the top, there's a header 'My Wish List' with the subtitle 'Manage your saved list of products'. Below this, there's a 'Wish Lists' sidebar with three options: 'Favourites', 'Live List', and 'Another List'. The 'Favourites' option is selected. To the right of the sidebar, there's a section titled 'Favourites (id:1)' with an 'Add To Cart' button. Below this is a table of products. A red box labeled 'Add To Cart Button' points to the button above the table. Another red box labeled 'Wish List Menu' points to the 'Favourites' option in the sidebar. A third red box labeled 'Products' points to the table of products.

These are the products saved in the wish list.

## Vehicle Menu Option - Using DVLA Lookup

DVLA lookup allows you to find information about a vehicle using the vehicles number plate (Vehicle Registration Number).

1. Click on the **Vehicle** button.

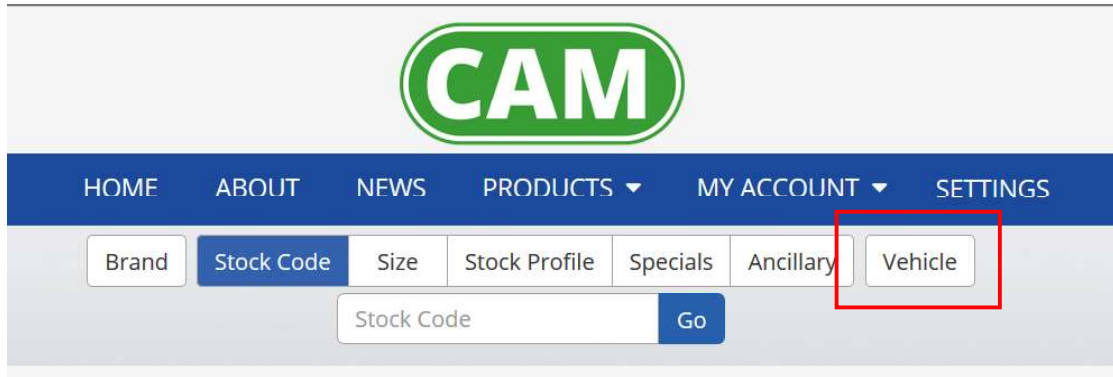

Figure 43

2. Enter the Vehicle Registration Number in to the field and click the **Find** button.

The image shows a form for entering a car registration number. At the top, it says 'ENTER CAR REGISTRATION:'. Below this is a text input field containing the text 'ABC123X'. Underneath the input field is a blue button with the word 'Find' written on it.

Figure 44

- Next, find the correct tyre size from the results table and click on the blue coloured link code.

- You can then choose your tyres and add them to your Cart to finish.

## Vehicle Menu Option - Using DriveRight

DriveRight allows you to find information about a vehicle using the vehicle make and model.

1. Click on the **Vehicle** button.

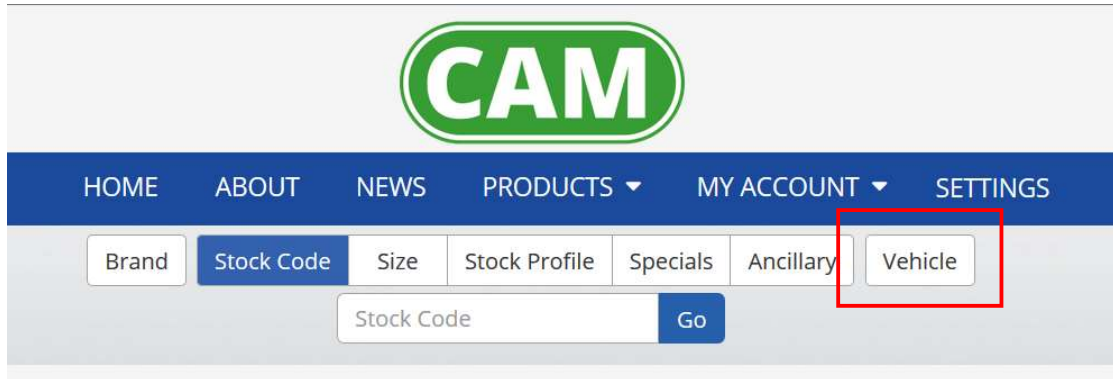

Figure 47

2. Using the dropdown options select the vehicle *Make* followed by the *Model* and then click the **Find** button.

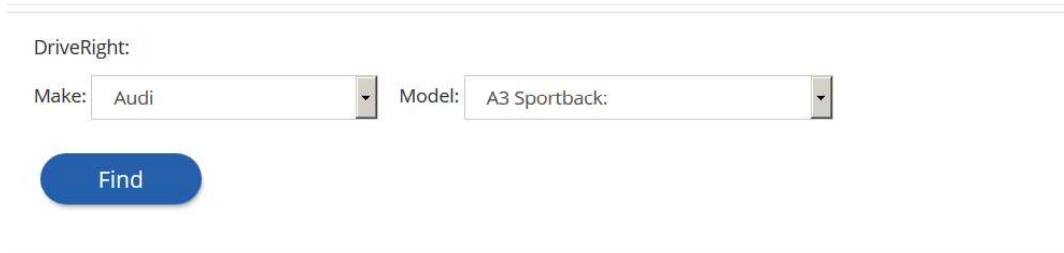

The image shows a search form titled 'DriveRight:'. It contains two dropdown menus: 'Make:' with 'Audi' selected and 'Model:' with 'A3 Sportback:' selected. Below the dropdowns is a blue rounded button labeled 'Find'.

Figure 48

- Next, find the correct tyre size from the results table and click on the blue coloured link code.

Figure 50

- You can then choose your tyres and add them to your Cart to finish.

## Using Stock Profile (Imprest Stock)

Imprest stock is stock owned by your supplier, but it resides at your depot. Use the *Stock Profile* menu options to see your Imprest stock.

1. Click on the **Stock Profile** button.

Figure 51

2. MIDaS<sup>3</sup> will load your Imprest stock. The **Default Qty** column is stock held by your supplier. The **Stock profile** column is your Imprest Stock. You can restock by adding products to your cart. Use the **Stock Profile** button to hide or display the *Stock Profile* column.

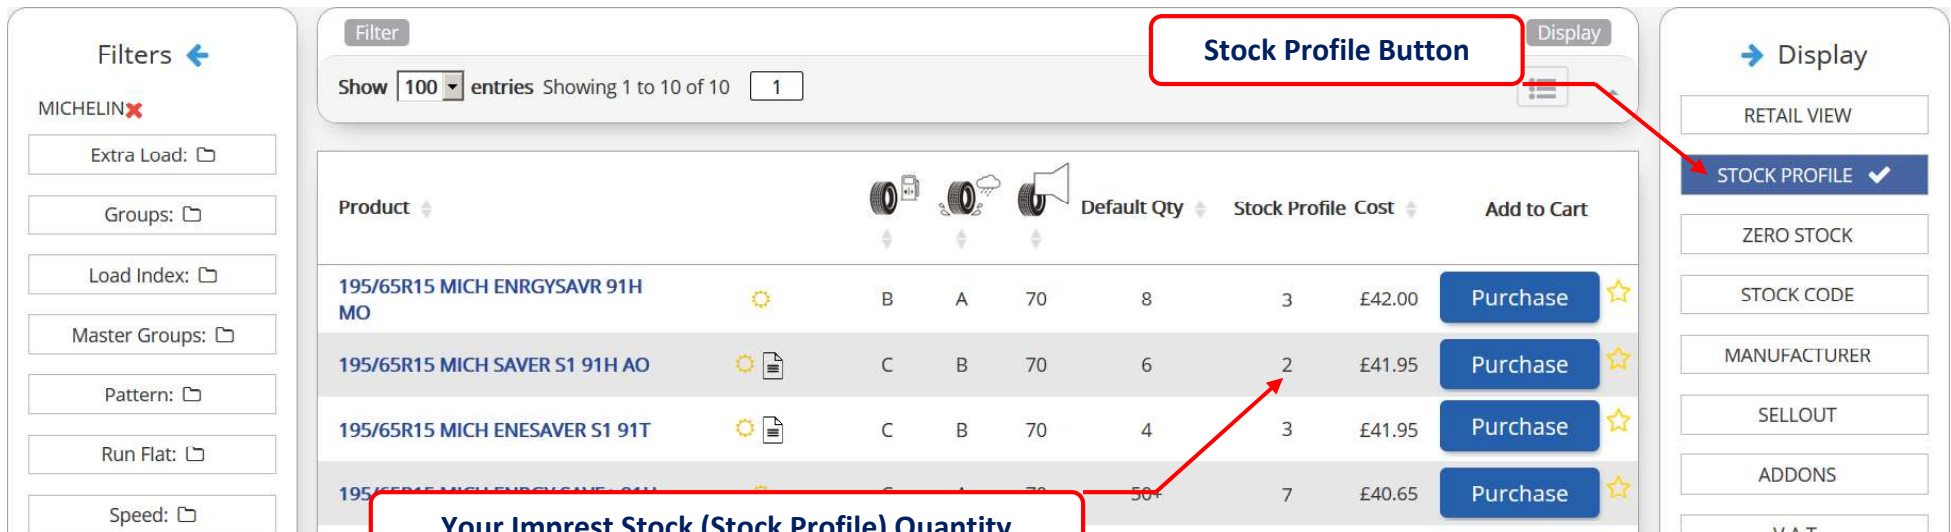

Figure 52

- Use the **Print Stock Check Form** button to open the Imprest Stock form in a new Internet Browser window.

Figure 53

- Use your Internet browser options to print the form and complete your manual stock check.

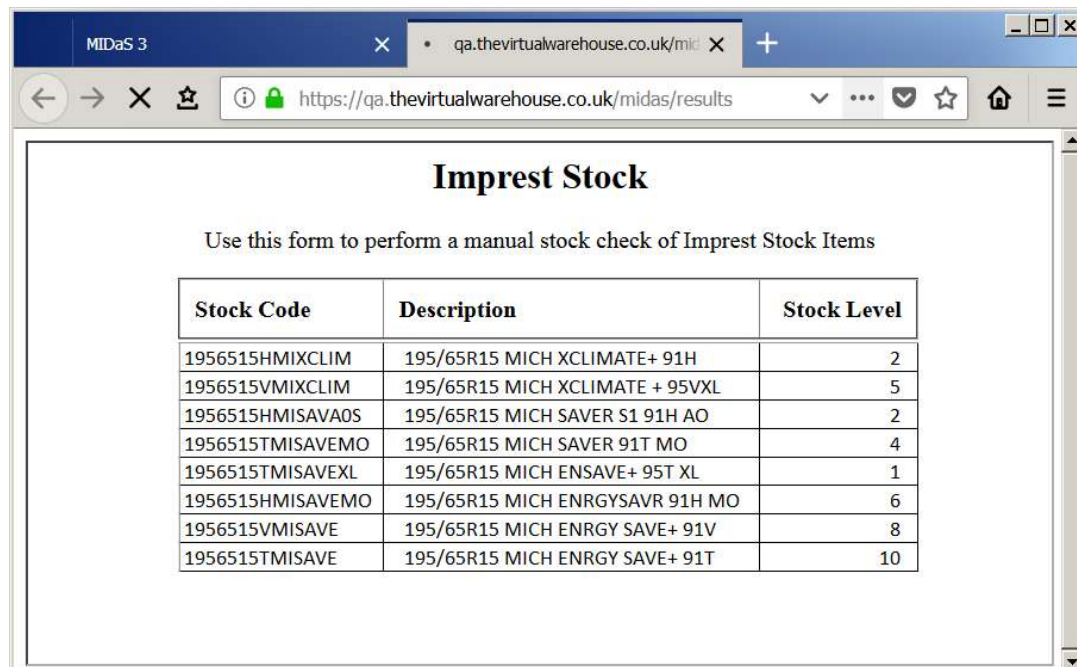

Figure 54

## Using Filters

Filters allow you to narrow your Product Search page search results by product attributes.

1. Start by searching for a tyre using one of the methods described previously.
2. Click on one of the product filter options, for example, Manufacturer.

The screenshot shows a product search interface with the following components:

- Filters Panel (Left):** A sidebar with a 'Filters' header and several filter options: Tyre Type, Run Flat, Extra Load, Groups, Master Groups, Speed, **Manufacturer** (highlighted with a red arrow), Load Index, and Pattern.
- Product Table (Center):** A table with columns: Product, Default Qty, Other Qty, Cost, and Add to Cart. The table lists several tyre products with their specifications and prices. A red box labeled 'Filter Options' is overlaid on the table.
- Display Panel (Right):** A sidebar with a 'Display' header and several options: RETAIL VIEW, STOCK PROFILE, ZERO STOCK, **STOCK CODE** (checked), MANUFACTURER, SELLOUT, ADDONS, V.A.T., SELLOUT MULTIPLIER (set to 1), and PRICE LIST.

Product	Default Qty	Other Qty	Cost	Add to Cart

2056515R6BUE 205/65R15 RU	70	0	£34.20	Purchase

Figure 55

3. Select an attribute for the Manufacture filter, such as Michelin.

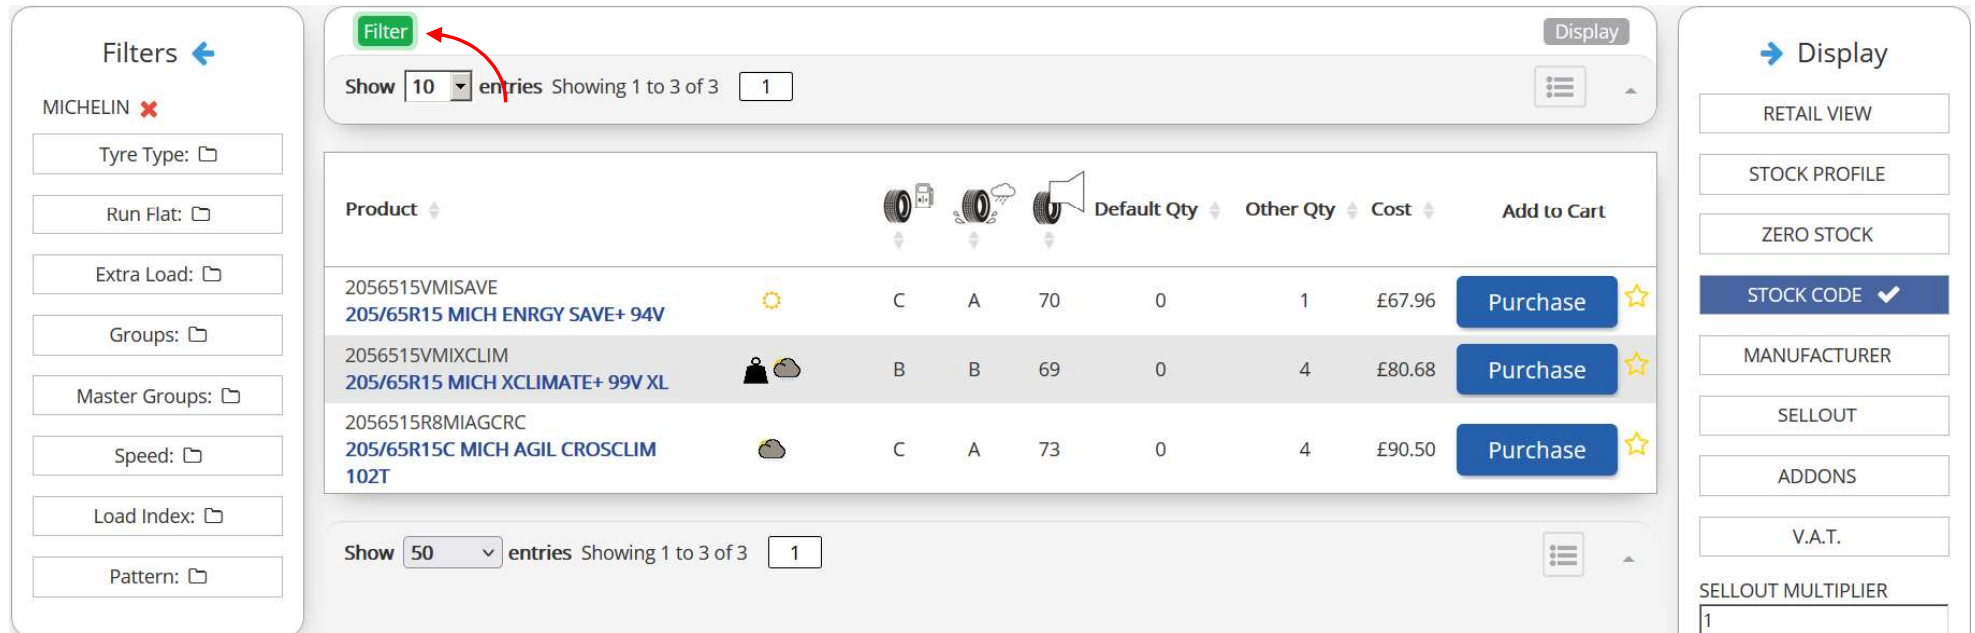

The screenshot shows a vertical list of filter options. At the top is a dropdown menu labeled 'Master Groups'. Below it are three filter buttons: 'Speed', 'Manufacturer', and 'Load Index'. The 'Manufacturer' button is highlighted in blue. Below the 'Manufacturer' button is a list of manufacturer names with their respective counts in parentheses: CONTINENTAL (5), DUNLOP (2), ENDURO/RUNWAY (3), FIRESTONE (3), MICHELIN (3), and PIRELLI (1). The 'MICHELIN (3)' option is highlighted with a red rectangular border. At the bottom of the list is a dropdown menu labeled 'Pattern'.

Figure 56

Only one product attribute can be selected for each filter.

4. The Product Search page will refresh and filter the results by Michelin. Use the remaining filter options to narrow down your search results further. While Filters are enabled the **Filter** button will flash *Green*.

The screenshot shows a product search interface. On the left, a 'Filters' sidebar is open, showing 'MICHELIN' with a red 'X' icon. Below it are several filter categories: Tyre Type, Run Flat, Extra Load, Groups, Master Groups, Speed, Load Index, and Pattern. The main area displays a table of products with columns for Product, Default Qty, Other Qty, Cost, and Add to Cart. A red arrow points to a green 'Filter' button at the top of the table. The table lists three Michelin products:

Product	Default Qty	Other Qty	Cost	Add to Cart
2056515VMISAVE 205/65R15 MICH ENRGY SAVE+ 94V	70	1	£67.96	Purchase
2056515VMIXCLIM 205/65R15 MICH XCLIMATE+ 99V XL	69	4	£80.68	Purchase
2056515R8MIAGCRC 205/65R15C MICH AGIL CROSLIM 102T	73	4	£90.50	Purchase

On the right, a 'Display' sidebar is open, showing options like RETAIL VIEW, STOCK PROFILE, ZERO STOCK, STOCK CODE (checked), MANUFACTURER, SELLOUT, ADDONS, V.A.T., and SELLOUT MULTIPLIER (set to 1).

Figure 57

5. Click the **X** on any filters applied to remove them and return your search results to normal.

Figure 58

## Sort Order

Sort order functionality allows you to sort products on the **Product Search** page by clicking on the up and down sort arrows associated with the enquiry columns. You can sort by product relevance, for example by highest to lowest price order, or by product codes alphanumerically.

1. Start by searching for a tyre using one of the methods described previously and then clicking on one of the up or down arrows next to the enquiry column to sort the order of the returned results.

Figure 59

2. Figure 60 below illustrates products sorted by Cost.

Product	Default Qty	Other Qty	Cost	Add to Cart				
2056515R8FIVANH2 205/65R15 FSTONE VANH2 102/100T	C	B	72	0	4	£58.79	Purchase	☆
2056515R6FIVANHA 205/65R15 FSTONE VANHAWK 102T					1	£47.08	Purchase	☆
2056515VFITZ300 205/65R15 FSTONE TZ300 94V	E	B	71	0	5	£43.27	Purchase	☆

**Sort Order**  
Products sorted by highest cost price first.

Figure 60

## Viewing Product Images and Tyre Labels

When applicable the tyre characteristic values for Wet Grip, Fuel Efficiency and Noise Rating are shown on the *Product Search* page. Products that display these values may also display an image of the tyre label and the tyre through a pop-up *Image Viewer*.

1. Click on the blue product code to open the *Image Viewer*.

The screenshot displays a product search interface for Michelin tyres. On the left, there is a 'Filters' sidebar with 'MICHELIN' selected. The main area shows a list of three products. The second product, '205/65R15 MICH XCLIMATE+ 99V XL', is highlighted in grey. Above this product, a red box labeled 'Tyre Characteristic Values' points to icons for Wet Grip, Fuel Efficiency, and Noise Rating. Below the product list, another red box labeled 'The Product Code' points to the blue product code '205/65R15 MICH XCLIMATE+ 99V XL'. On the right, a 'Display' sidebar contains various options like 'RETAIL VIEW', 'STOCK PROFILE', and 'STOCK CODE'.

Product	Wet Grip	Fuel Efficiency	Noise Rating	Default Qty	Other Qty	Cost	Add to Cart
2056515VMISAVE 205/65R15 MICH ENRGY SAVE+ 94V	☀️	C	A	70	0	1	£67.96 <a href="#">Purchase</a> ☆
2056515VMIXCLIM 205/65R15 MICH XCLIMATE+ 99V XL	👤🌧️	B	B	69	0	4	£80.68 <a href="#">Purchase</a> ☆
2056515R8MIAGCRC 205/65R15C MICH AGIL CROSCCLIM 102T	🌧️	C	A	73	0	4	£90.50 <a href="#">Purchase</a> ☆

Figure 61

2. An example of a tyre image and tyre label is illustrated here. The tyre label can also be printed through this pop-up window using the **Print Label** button.

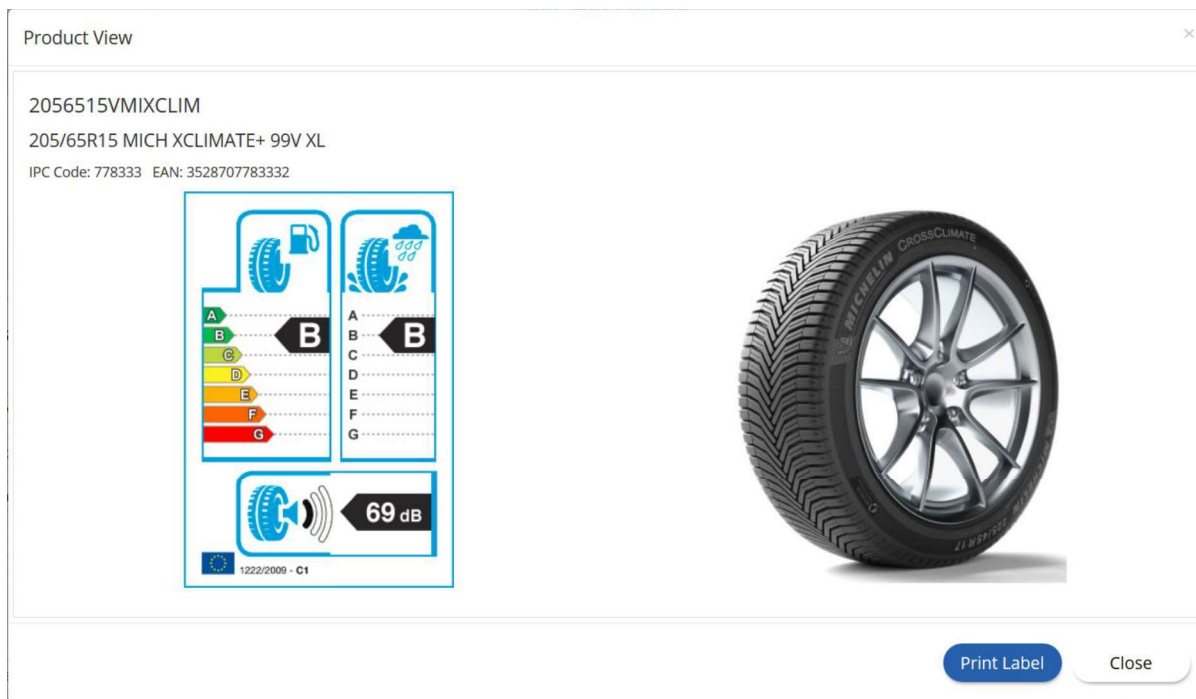

Figure 62

## Viewing Products by Images

The *Product Search* page defaults your search to return products matching your criteria as a list. You can change this to show matching products as images. Click on the **View** button to toggle the Product Search page between the list and the image views.

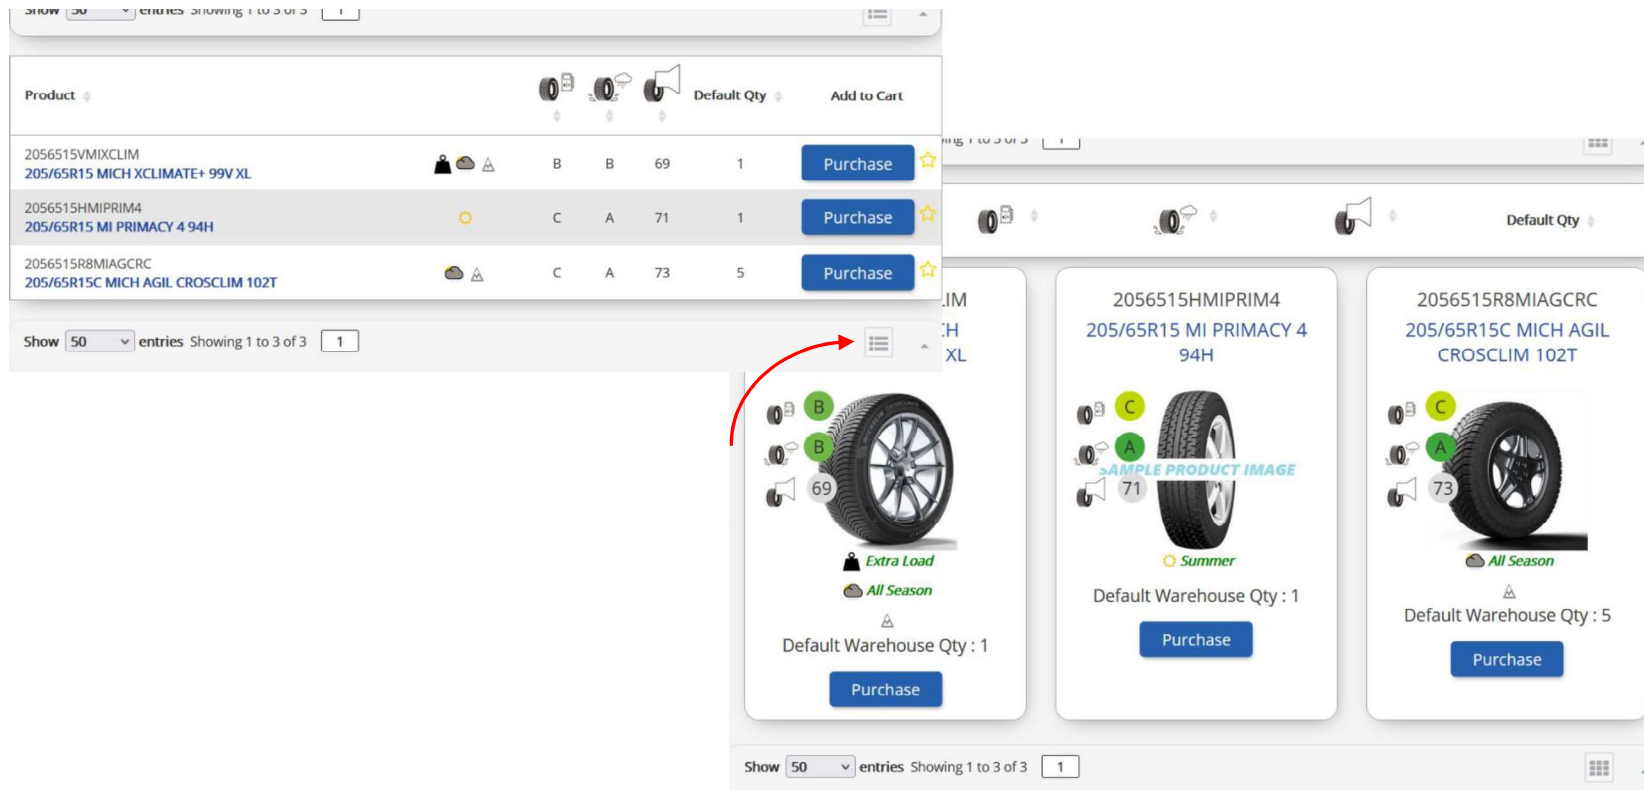

Figure 63

## Keyword Searching

Keyword searching allows you to find products by their attributes. Enter some text in to the **Search** field and the Product Search page will return a list of results matching your criteria.

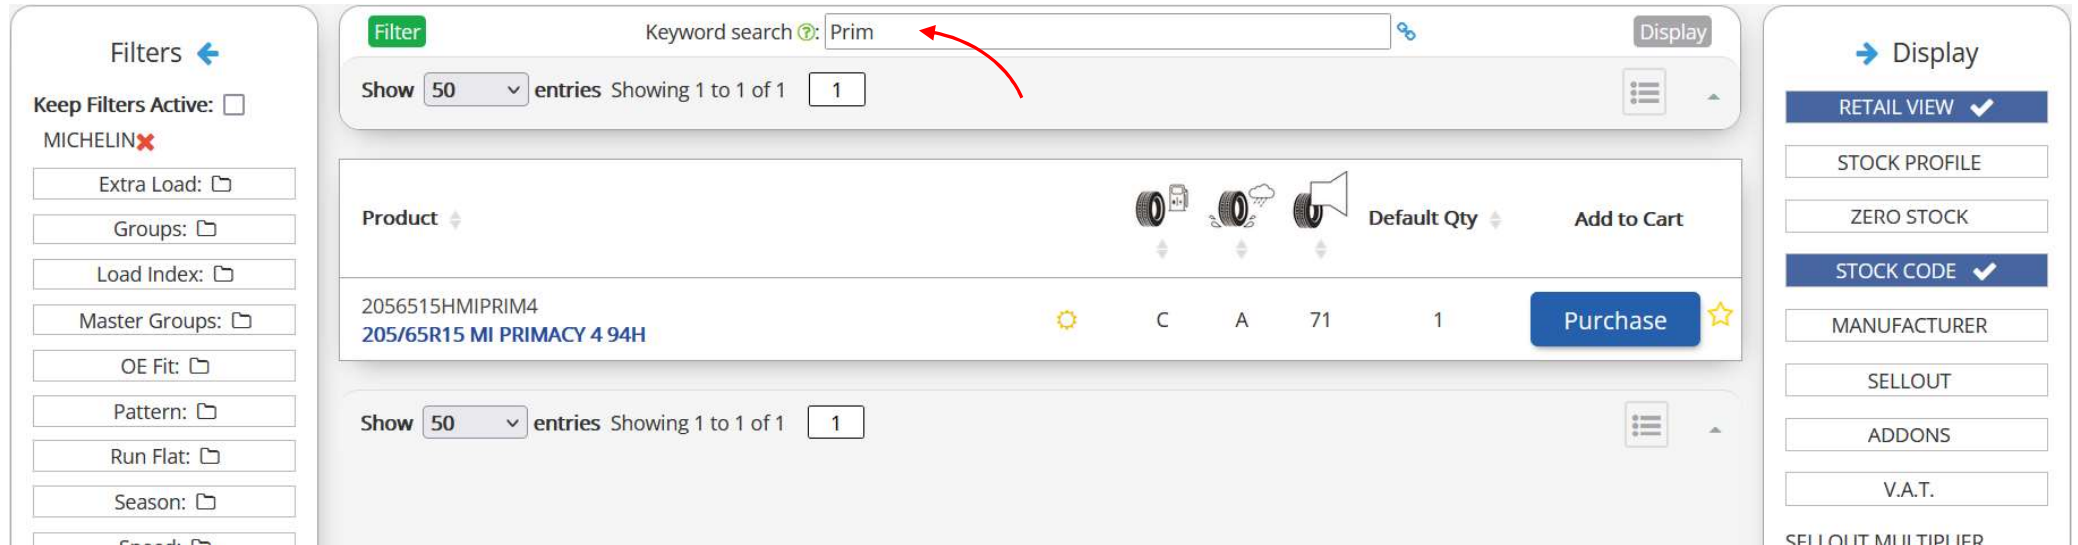

Figure 64

## Showing CAMEO Stock Code

The Show Stock Code functionality allows you to show the CAMEO stock description with the CAMEO stock code on the **Product Search** page.

1. Start by searching for a product using one of the methods described previously and then clicking on the **Stock Code** button from the **Display** menu.

Figure 65

2. The Product Search page will now display the CAMEO stock code and stock description. To return to the previous view click the **Stock Code** button again.

Product				Default Qty	Other Qty	Cost	Add to Cart	
2056515VMISAVE 205/65R15 MICH ENRGY SAVE+ 94V		C	A	70	0	1	£67.96	Purchase
2056515VMIXCLIM 205/65R15 MICH XCLIMATE+ 99V XL		B	B	69	0	4	£80.68	Purchase
2056515R8MIAGCRC 205/65R15C MICH AGIL CROSC LIM 102T		C	A	73	0	4	£90.50	Purchase

Figure 66

## Showing Zero Stock

The **Zero Stock** function allows you to see all products stocked by your wholesaler on the **Product Search** pages irrespective of whether those products are in or out of stock.

1. Click the **Zero Stock** button to tick it. Zero stock items will be shown on the **Product Search** pages.

Figure 67

2. Repeat as above to hide zero stock items.

## Pricing

MIDaS<sup>3</sup> displays the wholesale prices that you will pay when placing your order with your wholesaler; however, there may be occasions where you would prefer to display alternative prices such as your retail SellOut prices that includes your mark-up, add-ons, fitting and VAT or display other prices based on different tyre characteristics. **Pricing** is therefore highly configurable allowing you to setup price lists involving different stock conditions which can then be shown from the Product Search page.

This section will show you how to create and use a retail price list. The method employed here can be used to modify or create further price lists to suit your requirements.

### Creating a Price List

1. Start by clicking on the **Pricing** button from the My Account menu to open the Pricing page.
2. Select the **Add Section** button from the price list table.

Sellout Price Lists

Section

**Add Section**

**The Add Section Button**

Name	VAT Rate	AddOn Amount	Priority	Round	Round Amount
No section added yet.					

Figure 68

- Fill in the fields as shown here in figure 69. If you are creating your own price list, then use details given in Table 1 for guidance. When finished, save your changes by clicking on the **Save** button.

Figure 69

<b>Option</b>	<b>Description</b>
<b>Price List Name</b>	A meaningful name for your price list. The name you enter here will appear in the Enquiry screen.
<b>VAT %</b>	UK VAT is normally 20%
<b>Addons</b>	The Addon value relates to additional services you may offer to your customer, for example, do you offer fitting, balancing, a new valve and environmental casing disposal? If you do, then you should consider the total cost of these services and enter their total cost value here.
<b>Priority</b>	Set the priority level to Currency or Percentage
<b>Final Rounded Price</b>	<p>The final rounded price options are pricing strategies that will allow you to make changes to the SellOut prices.</p> <p><b>Round Up to Actual</b> refers to a value heading away from zero, in this case, round up means that a price of £224.78 will be rounded up to £225.00. <b>Round Down to Actual</b> similarly means to head downwards to zero, and the final price will be rounded down to £224.00.</p> <p><b>Round Up to Multiple</b> refers to a value in multiples of x; in this case x being £10.00 entered in the Amount field, then a product price of £224.78 will be rounded up to the nearest £10.00 which will be £230.00. <b>Round Down to Multiple</b> similarly means that the final price will be rounded down to the nearest £10.00 which, in this case, will be £220.00.</p> <p>The options you use here should reflect those used in your appropriate invoicing program.</p>

Table 1

- Next create a **Product Group** to add to your retail price list by first clicking on the **Open** button.

Sellout Price Lists

Section

Add Section

	Name	VAT Rate	AddOn Amount	Priority	Round	Round Amount	
Open	Main	20	6.26	Currency	Disabled	0	Edit Delete

Figure 70

And then clicking on the **Add Group** button.

Sellout Price Lists

Section

Add Section

	Name	VAT Rate	AddOn Amount	Priority	Round	Round Amount	
Close	Main	20	6.26	Currency	Disabled	0	Edit Delete

Group

Add Group

Name	Manufacturer	Product Category	Markup	Filter
No group added yet.				

Figure 71

Fill in the fields as shown here in figure 72. If you are creating your own group, then use the details given in Table 2 for guidance. When finished, save your changes by clicking on the **Save** button.

Figure 72

<b>Option</b>	<b>Description</b>
<b>Group Name</b>	A meaningful name for your group.
<b>Manufacturer</b>	Use this option to set the price list group against a specific manufacturer or ALL manufacturers. The default is All Manufacturers.
<b>Product Subcategory</b>	Use this option to define the specific manufactured product category. The default is Everything.
<b>Key 1</b> <b>Key 2</b> <b>Key 3</b> <b>Key 4</b> <b>Key 5</b>	Use these options to meet very specific product criteria. If you need a price list based on your products by just Section, then Key 1 would just be Section. If you intend to define a price list further by Profile, Rim or Speed, then Key 2 would be Profile, Key 3 Rim and so on. You will need to know what names and product grouping you use in CAMEO before setting up Key options.
<b>Markup Type</b>	Set the Markup Type to apply to Currency or Percentage

Table 2

5. Lastly, we will add a price banding to complete the retail price list. Click on the **Open** button next to your product Group.

Figure 73

And then click on the **Add Band** button.

Figure 74

Fill in the fields as shown here in figure 75. If you are creating your own price band then use the details given in Table 3. When finished, save your changes by clicking on the **Save** button.

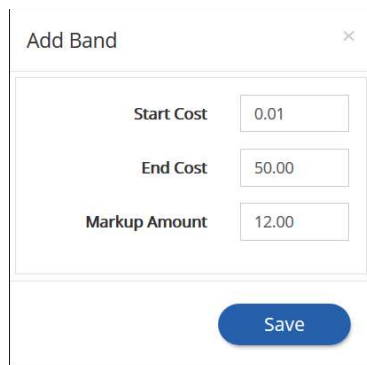

Figure 75

<b>Option</b>	<b>Description</b>
<b>Start Cost</b>	The starting cost of products that will be included in your price list.
<b>End Cost</b>	The end cost of the products that will be included in your price list
<b>Markup Amount</b>	The amount to be added to the product to give the total selling price.

Table 3

6. An example of how a complete pricelist may appear with common tyre band pricing is illustrated here in figure 74. To modify or remove an existing price list entry use the **Edit** or **Delete** buttons to suit the action you require. Use the **Open** and **Close** folder buttons to expand and collapse the group entries.

Figure 76

## Using a Price List

1. Start by searching for a tyre using one of the methods described previously.
2. From the **Display** options, click the **SellOut** option to show your retail prices, click **Include Addons** and **Include VAT** and finally select the price list from the **Price List** option. These fields are illustrated here in figure 77. When an option is selected (or unselected) the **Product Search** page will automatically refresh.

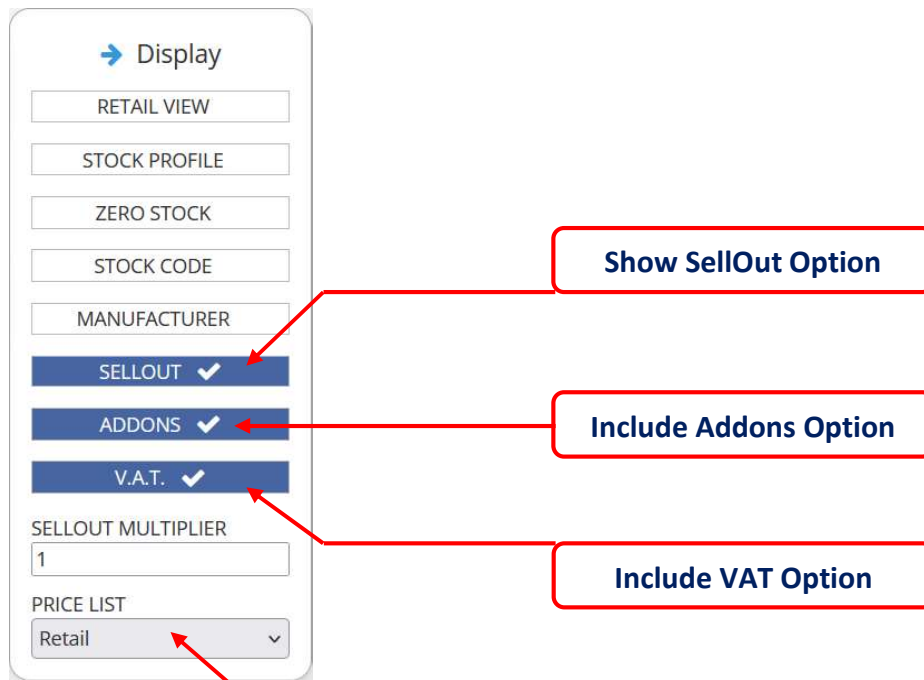

Figure 77

**Price List**  
Use this option to switch to a different price list.

3. When you have completed selecting the options, the **Product Search** page will load the Cost Price along with your SellOut Price as illustrated here based on the example price list detailed in this user guide.

The screenshot shows the 'Product Search' interface. On the left is a 'Filters' sidebar with various options like 'Extra Load', 'Groups', 'Load Index', etc. The main area displays a table of products. A red box highlights the header 'The Cost and SellOut Prices' above the table. An arrow points from this box to the 'Cost' column. The table has columns for Product, Default Qty, Cost, SellOut, and Add to Cart. Three products are listed:

Product	Default Qty	Cost	SellOut	Add to Cart
205/65R15 MICH XCLIMATE+ 99V XL	1	£74.90	£119.88	Purchase
205/65R15 MI PRIMACY 4 94H	3	£76.95	£122.34	Purchase
205/65R15C MICH AGIL CROSCCLIM 102T	5	£88.90	£136.68	Purchase

On the right side, there is a 'Display' panel with options like 'RETAIL VIEW', 'STOCK PROFILE', 'ZERO STOCK', 'STOCK CODE', 'MANUFACTURER', 'SELLOUT', 'ADDONS', 'V.A.T.', 'SELLOUT MULTIPLIER', and 'PRICE LIST'.

Figure 78

4. Tick the **Retail View** option to show only the SellOut price and hide the wholesale cost price.

The screenshot shows the 'Display' panel with the following settings:

- RETAIL VIEW** (checked)
- SELLOUT MULTIPLIER**: 1
- PRICE LIST**: Retail

Figure 79

### Retail View Option

#### Multiplier

Use the multiplier to automatically add up the **Cost** or **SellOut** prices for any quantity of products on the **Product Search** page. Type in a new number to multiply by for example, 2 and press **Enter** to update the prices for 2 products. Prices can also include or not include the ADDONS and VAT that you have set up in your price list.

5. You can now safely show the MIDaS<sup>3</sup> Product Search page to your customer with only your **SellOut** prices showing.

The screenshot displays the MIDaS<sup>3</sup> Product Search interface. On the left, there is a 'Filters' sidebar with various options like 'Extra Load', 'Groups', 'Load Index', etc. The main area shows a search bar and a table of products. The table has columns for 'Product', 'Default Qty', and 'SellOut'. The 'SellOut' column is highlighted with a red arrow pointing to a callout box. The 'My Cart Items' section at the top shows 'No items in the cart'. On the right, there is a 'Display' sidebar with options like 'RETAIL VIEW', 'STOCK PROFILE', 'ZERO STOCK', etc.

Product	Default Qty	SellOut	Add to Cart
205/65R15 MICH XCLIMATE+ 99V XL	1	£119.88	Purchase
205/65R15 MI PRIMACY 4 94H	3	£122.34	Purchase
205/65R15C MICH AGIL CROSCCLIM 102T	5	£136.68	Purchase

Figure 8

### SellOut

The *Cost Price* column is now hidden and showing only the *SellOut* column with the SellOut price that your customer will pay for their tyres.
